MEMORANDUM FOR: Publications Control DD/P

25X1 ATTENTION : [redacted]

SUBJECT : Job Number 2419-A-GJG

It is the consensus of the DPD staff personnel who have read the proposed regulation that it is too broad in its terms. Specifically, it does not define th type of contracts covered. In your covering comments you note that the publications are intended to cover

25X1 "research contracts, [redacted] and agreements with subsidies or proprietaries." It would appear that this breakdown should be spelled out. Also, when we get in the area of proprietaries and subsidies and mutual equities therein where does the responsibility of personnel end and that of logistics begin. If the regulation is to cover only personnel services agreements, should there be a limiting clause somewhere in the regulation so stating.
